

LGGMC Lapidary WorkShop

Lapidary Workshop:

We are all set up! Our lapidary workshop is on the premises of the **Mountain Aspen Granite Company**, just east of the Safeway shopping center in Woodland Park.

(The owner of the business has made the space available to the club at No Cost !!!)

*In return for his generosity we want to encourage all club members to keep **Mountain Aspen Granite Co.** in mind for stone counter tops, hardwood flooring and window coverings. They have polished natural granite and other rock that they can custom fit to kitchens, bathrooms or elsewhere.*

☀ Please recommend **Mountain Aspen Granite at 719-641-0214** (Glenn Raymond, owner) ☀

So far, we are Meeting each Second Wednesday at 6pm. We will meet more often this Winter !!!
